

# NOTICE

The San Juan County Council is seeking proposals for the Community Development Block Grant (CDBG) General Purpose Grant Program Funding Cycle for the year 2009.

Up to \$1 million may be available to the county on a statewide competitive basis to fund public facility, housing, economic development, or community facility projects that principally benefit low and moderate income persons.

Project proposals should include a brief summary of the project, a draft budget including other funding sources; and specify the CDBG fund (General Purpose Grant, Planning Only or Community Investment).

## ***The following is the schedule for submissions:***

**October 9th, 2008** – Deadline for all interested parties to submit a summary of their proposed project including the overall project description, reason for the application, and amount of funds you are requesting to the office Community Development and Planning, PO Box 947, Friday Harbor, WA 98250.

**October 15th, 2008** – Public Hearing Notice published for County Council Meeting to choose CDBG project and appoint an administrative official.

**October 28th, 2008** – Public Hearing to Consider Applications for Funding from the State Community Development Block Grant Program for 2009. The County Council will hear presentations and take testimony on proposed projects. The hearing will take place in the Council Hearing Room, 55 2nd Street, Friday Harbor, WA. After the public hearing, the Council will decide which, if any, project to sponsor as a CDBG application to CTED.

**November 11th, 2008** – County Council signs application packet approving submittal to CTED.

**November 20, 2008** – Application packet due to CTED.
