October			
November			
December			

Registration: Contact San Juan County Health and Community Services (SJCH&CS) at (360) 378-4474. **Registration is required prior to attending class.** Class size is limited so early registration is recommended. Times may vary slightly due to ferry schedule changes. Registration may also be completed on-line by emailing: williamp@sanjuanco.com.

**Gravity-only classes are reserved for homeowners with gravity systems and are not open to and will not certify homeowners with on-site sewage systems equipped with pressurized drainfields, sand filters or mounds. Gravity-only classes will be approximately three hours in length instead of the usual four hours. All other classes also cover gravity systems.
