

# ANNOUNCEMENT

On Monday July 13 and Tuesday July 14, San Juan County Public Works will bring in a gravel barge to be unloaded at the ramp at Odlin Park. This is necessary to support the Fisherman Bay Road Improvements Construction project. The barge will arrive late in the afternoon on the 13<sup>th</sup> and unload the following day from approximately 8am to 4pm. This will involve continuous truck traffic for that period of time from the ramp to and across Ferry road. Public Works and the road contractor will provide flaggers to ensure the safety of all park users and campers. We apologize for this inconvenience.
