Map 13B: Marine Net Shore Drift & Feeder Bluffs
San Juan County Shoreline Master Program Update

Note 1: The direction of a drift cell is from the perspective of an offshore observer looking at the shore.

Note 2: For display purposes, water bluff features on this map have been affected from their actual location.

All features depicted on this map are approximate. For legal use, site specific evaluation or a certified survey should be conducted. Additional site-specific evaluation may be needed to confirm accuracy of information shown on this map.
