**Subject:** Orcas Island. I'm interested in helping maintain the rural character of the islands without further excessive commercial building.

**Message:** Fifty years ago my family was drawn to Orcas Island, and some members have lived here ever since. There has been a lot of "development" since then--such as felling of trees, more commercial building, loss of beachfront areas and destruction of scenic vistas. We do not need to live in a city or urban environment; please let us retain the rural character and community aspect of our unique wonderland.
