Hi Joe,

We gave a very short update to Council on the schedule at the 1/30/2017 Council meeting. That meeting is available to view on our website here:

thanks. I've already seen the link and your powerpoint slides. The A/V aspect of the link has failed every time I've tried using different browsers. Do you have a suggestion for how this can be resolved?

You can view past Council meetings here: <http://sanjuanco.com/903/Council-Agendas-and-Video>

We have not scheduled open houses or briefings mentioned below yet. If you wish to get notices of briefings and open houses, you can sign up to receive notices about the Comprehensive Plan update project activities by subscribing for notices at the link below. Select Comprehensive Plan Update under the News Flash header.
