

San Juan County Official Local

Voters' Pamphlet

November 7, 2017 General Election

Published by the San Juan County Auditor

Letter from the Auditor

There is a group of voters I call “Quadrennials.” Quadrennials vote only every four years. Unless President of the United States is on the ballot, Quadrennials don’t vote.

If you’re reading this, you’re not one of them. You are a voter who truly cares about your local community. In this election, twenty-four local jurisdictions – including school, fire, port, cemetery, park and rec, hospital, water, sewer, and solid waste districts, plus the Town of Friday Harbor – have measures or candidates on the ballot. Collectively, these districts truly touch every aspect of your local life.

Because this is a largely local election, you won’t find it on the six o’clock news, or covered in the King County newspapers. You will find it covered by local media, both print and online. There will be local forums, sponsored by the local League of Women Voters, where you can hear about the issues and get to know the candidates. This Voters’ Pamphlet will also help. In it, every candidate has had the opportunity to submit a picture and a statement, and every local measure has had the opportunity to submit supporting and opposing statements.

Local measures in this election include two Orcas School measures and the annual Lopez Solid Waste levy. All three will affect local tax obligations for property owners in the relevant districts.

This is your election. Think local. Act local. Vote local.

F. Milene Henley, Auditor

Accessible Voting

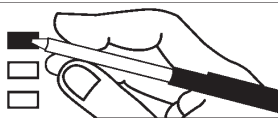

San Juan County voters with disabilities have the option of voting independently and privately using an accessible voting unit.

The accessible voting equipment will be available Monday through Friday, during regular business hours for the General Election, beginning Friday, October 20, through Election Day, November 7.

Voting Instructions

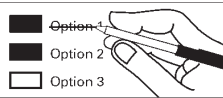

How to vote

Use a dark blue or black ink pen to completely fill in the box to the left of your choice. Do not use pencil.

Voting more than once for a contest will be an overvote and no votes for that contest will be counted.

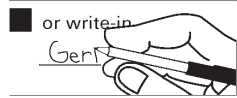

If you make a mistake

Draw a line through the entire measure response or candidate's name.

Then you may make another choice.

Optional write-in

To vote for a candidate not listed, print the name on the blank line provided and fill in the box.

If you do not wish to vote in a contest, leave all boxes empty.

- Tear off the stub at the top of the ballot and throw the stub away.
- Mark all contests you wish to vote. **You don't have to vote every issue.**
- Put your finished ballot into the security sleeve.
- Put your security sleeve and ballot into the return envelope.
- Read, sign, and date the Voter's Declaration on the envelope. **We cannot count your ballot unless you sign the declaration.**
- Seal the return envelope.
- Return your voted ballot:

By mail requires first-class postage

OR

Put in a ballot drop box, no postage is needed.

Replacement Ballots

1. Contact SJC Elections as soon as possible:

San Juan County Elections

Phone: (360) 378-3357

Email: elections@sanjuanco.com

OR

2. Download a replacement ballot:
 - Go to *MyVote*: www.myvote.wa.gov
 - Sign in with your name and date of birth
 - Click on *MyBallot*
 - Follow the instructions for voting and returning your ballot

Returning Your Ballot

Ballot drop box - *postage free!*

Save a stamp and return your ballot to a drop box by 8:00 p.m. on Election Day.

San Juan County Elections Office

55 Second St., Ste. A, Friday Harbor

M-F 8:00 a.m. to 4:30 p.m.

Election Day 8:00 a.m. to 8:00 p.m.

San Juan County Courthouse

Second St. entrance, Friday Harbor

Lopez Island Fire District Office

Fisherman Bay Rd., Lopez Village

Orcas Island Senior Center

62 Henry Rd., Eastsound

In person

The Elections office is open 8:00 a.m. to 4:30 p.m., M-F and 8:00 a.m. to 8:00 p.m. on Election Day, November 7:

San Juan County Elections

55 Second St., Ste. A, Friday Harbor

(across from the Courthouse)

By mail

Place a stamp on the return envelope and mail before the deadline. Your ballot must be postmarked on or before November 7 in order to count.

Proposition No. 1

Bonds to Construct, Renovate and Improve School Facilities – \$10,800,000

The Board of Directors of Orcas Island School District No. 137 approved a proposition for bonds. This proposition would authorize the District to renovate and modernize District facilities to address health and safety concerns, including High School HVAC and plumbing, gymnasium infrastructure, improve Elementary School interior, undertake roadway improvements, and add classroom space for music and other programs; to issue \$10,800,000 of general obligation bonds maturing within a maximum term of 20 years, and to levy excess property taxes annually to repay the bonds, all as provided in Resolution No. 2017-06.

Should this proposition be:

- Approved?
 Rejected?

**Orcas Island School Dist #137
Proposition No. 2
Capital Projects Levy**

The Board of Directors of Orcas Island School District No. 137 adopted Resolution No. 2017-07 concerning a capital projects levy. The proposition authorizes the modernization and remodeling of District facilities, including athletic fields and facilities; and authorizes the following excess levies on all taxable property within the District:

Collection Years	Approximate Levy Rate/\$1,000 Assessed Value	Levy Amount
2018	\$0.11	\$227,000
2019	\$0.11	\$227,000
2020	\$0.11	\$227,000
2021	\$0.10	\$227,000
2022	\$0.10	\$227,000
2023	\$0.10	\$227,000

all as provided in District Resolution No. 2017-07.

Should this proposition be approved?

- Yes
- No

**Farhad
Ghatan**

(Nonpartisan)

Elected Experience

Farhad was elected to the Town of Friday Harbor Council in 2013. He serves as Chair of the Friday Harbor Arts Commission and is a member of the Lodging Tax Advisory Committee. Served as Chair of the Friday Harbor Planning Commission 1999-2003. County Housing Advisory Board 1999-2003, President – San Juan Island Chamber of Commerce, 2001.

Other Professional Experience

Owned and operated a number of small businesses; currently at Friday Harbor Grand B&B.

Education

University of Washington, B.A., Association of Washington Cities Elected Official Training.

Community Service

Past Trustee, San Juan Community Theater. Current, San Juan Island Sculpture Park, San Juan Nature Institute, Soroptimists.

Statement

Farhad Ghatan has the experience we need to continue with the forward momentum and solid accomplishments made by our outgoing Mayor Carrie Lacher, the Town Council and dedicated Town Staff. As a 26 year resident of the Town, Farhad is known to be both fiscally conservative and socially responsible. His many involvements with local community organizations have earned him the support of business owners, wage earners and retirees alike.

Recognizing the pressures Town residents face from high utility rates, a lack of affordable housing, aging infrastructure and recent growth, Farhad is dedicated to the continued rebuilding of our streets and sidewalks, creating opportunities for new and affordable housing and managing growth...all with the goal of creating a healthy year round economy and fostering a cohesive, vibrant and productive community.

**Matt W.
Shildneck**

(Nonpartisan)

Elected Experience

None

Other Professional Experience

Master Electrician, current owner of It's Electric; multiple projects within the Town of Friday Harbor working as a master electrician on infrastructures that include several local businesses, the Spring Street Memorial Park, Brickworks, Waste Water Treatment Plant Expansion, the Water Treatment Facility and currently employed as a Construction and Maintenance Technician for the Friday Harbor Labs

Education

Associate Arts degree from Shoreline Community College

Community Service

Current member of the Friday Harbor Planning Commission; past Vice-President of Kiwanis Club; SAL member of the American Legion; past chairman of the Historic Preservation Review Board

Statement

As a 38 year resident of the island, I have valuable knowledge of projects and the infrastructure of several Friday Harbor facilities. The father of two daughters (6th generation islanders!), I recognize the importance of looking to the future of our island and town. I will work to facilitate productive meetings, encourage a cohesive and positive relationship between the Mayor's office and the Town Administrator and create a vision for future generations of our community.

With a balanced plan for growth and cost management, we can look forward to another century as a recognized natural environment and town, that appeals to our local residents and visitors. With a reasonable approach toward housing costs, a feasible tax base and concern for our town's future, allow me to work with you to develop appropriate ideas for our community while maintaining the character of the Town of Friday Harbor.

**Anna Maria
de Freitas**

(Nonpartisan)

Unopposed

Elected Experience

9½ years, Council Member, Position #3, Town of Friday Harbor

Other Professional Experience

Owner/General Manager, San Juan Island Inn Collection – Harrison House Suites, Tucker House Inn and Coho Restaurant, Friday Harbor, San Juan Island since 2005; 20 years in public broadcasting as technical director for nationally syndicated radio documentary and educational television series

Education

Peabody Institute of the Johns Hopkins University – Bachelor of Music Flute Performance, Bachelor of Music Recording Arts and Sciences; Johns Hopkins University – Bachelor of Science, Electrical Engineering

Community Service

Board Member and Marketing Chair, San Juan Island Visitor's Bureau; Chair San Juan County Housing Commission

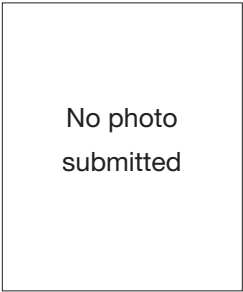

Statement

It has been an honor to serve on the Town Council. As I reviewed my statement from 2014, it was gratifying to reflect upon what we have accomplished – water main replacement phase 1, Blair Street reconstruction, Tucker Avenue reconstruction phase 1, Breezeway Park, Spring Street reconstruction, all while maintaining strong fiscal health with significant reserves. We need to continue to: invest in our utility infrastructure while being mindful of the environmental impact of our fragile ecosystem; work collaboratively with the county, non-profits and the private sector to address our need for affordable housing; address transportation and the impact of increased growth; support sustainable tourism, one of the drivers of our economy.

My work as a council member is not finished. I want to complete the projects and plans incubated by our current council. I pledge to continue to work vigilantly to chart a smart course for our Town's future.

Sarah has served as the Center Manager, Lead Teacher, and Family Advocate at San Juan Head Start from 2006-present.

Education

BA Evergreen State College 2002-2006/AA Early Childhood Education Skagit Valley College 2006-2008

Community Service

Sarah Werling-Sandwith serves as the Vice President for San Juan Island Service Scholarship. She is an active member of the San Juan County Early Childhood Consortium, and she acts as a mentor to a variety of high school student's community projects.

Statement

It is with great passion and enthusiasm that I respectfully announce my desire to serve as the SJISD Board Member Position 1. I would like to offer the board a new perspective through the lens of a parent, Head Start teacher and family advocate. I want to continue taking an active role in our island community by supporting education; while building strong and honest relationships, strengthening communication, and to continue promoting community based partnerships.

I am fully dedicated to help our district properly plan for the future challenges in funding public education locally. If elected to this office, I will bring an informed, conscientious and thoughtful approach to the process of decision making for our public school system. It is my mission to support our students, families, teachers and staff. I will work honestly and collectively to be the eyes, ears, and the voice for our community.

**Barbara
Bevens**

(Nonpartisan)

Elected Experience

No information submitted

Other Professional Experience

Barbara spent twelve years as a teacher, seven in the San Juan Island School District. She served as the Home School Liaison/Alternative Learning Coordinator with Griffin Bay Schools. District-wide she served as the State Testing Coordinator. She was active in the state-wide initiatives concerning Alternative Learning Experiences during the 2008-2013 school years.

Education

B.A. Linfield College; MIT Seattle University

Community Service

Barbara served as a San Juan County 4-H Leader and as Leaders Council Treasurer for several years. She currently serves on the San Juan County Fair Board, after more than 20 years of volunteering at the Fair.

Statement

Having had two daughters, two cousins and a multitude of honorary children graduate from Friday Harbor and Griffin Bay Schools, I am still passionate about good education. We have very good schools here, we offer an excellent opportunity for students, we have an even greater opportunity moving forward.

My first career in business (20 years) and my second career in education (12 years) along with my most important career as a parent (25 years) puts me in a unique position to see the various sides of many issues facing today's schools. I can bring those perspectives to the San Juan Island School Board and help make our schools and our students even more successful. I would be honored to have your vote and together we can make the best better.

Community Service

United Way Day of Caring

Statement

As state legislators resolve the directive from our state Supreme Court, the McCleary decision impacts the day-to-day operations of San Juan School District, limiting future planning. At the federal and state level, many suggested education proposals may further impact our district, financially and academically. It is incumbent that we provide quality education for all students, while maintaining fiduciary constraints. Children are and should be our number one priority; delivering quality public education in a safe environment is paramount. Our hard-working teachers and para-educators deserve our thanks and appreciation for their daily leadership, and we should all be grateful to our parent and community volunteers for their assistance in the classroom.

I will work with our current Superintendent and Board members to support everyone involved with students' education, ensuring that we operate in a fiscally responsible manner and that all tax monies are used wisely and appropriately.

General Manager, Duck Soup Inn, 2002-2012; Sales Representative, Vinum Importing, 2012-2016; General Manager, the new Duck Soup Inn, 2017

Education

B.A., The Evergreen State College, Sociology

Community Service

Friday Harbor High School PTA

Statement

With the subsidy to the hospital plus the EMS budget the hospital commission is responsible for a large sum of taxpayer dollars. My years as general manager at Duck Soup Inn have provided me with considerable experience in planning, budgeting, cost accounting, personnel management and people skills. I'd like to bring that experience to the commission.

I want to continue the efforts of the current commission to provide the best health care services we can, at affordable rates, to all of our district residents. We are fortunate to have our hospital but given the religious constraints under which they must operate I think it makes good sense to seek collaboration with other providers, as the commission did last May with Planned Parenthood. I want to ensure our residents can receive as much of their medical care as possible without leaving the district.

I would be grateful for your vote.

While I have drafted, lobbied for and pushed through legislation since 1995, this is my first time running for elected office.

Other Professional Experience

E-commerce consultant, copywriter & founder of NLP HypnoCopy (2008 to current). Global Non-Profit Financial Funding Consultant (2009 to 2014). Special education program director and teacher (2004 to 2009).

Education

BA, Saint Mary's College; Masters Studies in Special Education, Counseling.

Community Service

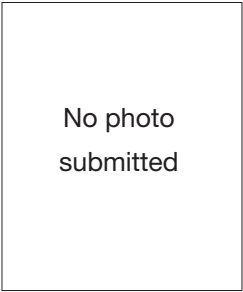

Orcas Island PTSA (2015, President 2016 – current); United Way of St. Joseph County Food Board (2010 to 2013); Advocacy Center Board (2010 to 2013); Real Services/Meals On Wheels Directors Board (2010 to 2013); SMC Diversity Board (2003 to 2006).

Statement

As a mama to four and former special education program director I sincerely appreciate our staffs' efforts to improve our schools and plan to help continue that advancement in 3 vital ways. One, leverage my experience to acquire untapped resources and eliminate funding gaps. Two, continue putting funding to best use by integrating what families want, what teachers need, and what scientifically proven education models show us helps kids absorb and retain new skills; even if that means lobbying for better state learning standards. That means eliminating anything currently unsupported by research, like homework in younger grades and excessive desk time, then replacing it with more project based, movement oriented, VAKOG nurturing assignments. Third, we need to make sure no one feels left behind, and no one feels held back from achieving their fullest potential by integrating more of the technologies and multi-grade classroom models that allow self-paced learning.

Orcas Island School District No. 137

Proposition No. 1

Bonds to Construct, Renovate and Improve School Facilities – \$10,800,000

The Board of Directors of Orcas Island School District No. 137 approved a proposition for bonds. This proposition would authorize the District to renovate and modernize District facilities to address health and safety concerns, including High School HVAC and plumbing, gymnasium infrastructure, improve Elementary School interior, undertake roadway improvements, and add classroom space for music and other programs; to issue \$10,800,000 of general obligation bonds maturing within a maximum term of 20 years, and to levy excess property taxes annually to repay the bonds, all as provided in Resolution No. 2017-06.

Should this proposition be:

Approved

Rejected

Explanatory Statement

Written by K&L Gates LLP, attorneys for Orcas Island School District No. 137; Approved by Randall K. Gaylord, San Juan County Prosecuting Attorney

The Board of Directors of the Orcas Island School District No. 137 adopted Resolution No. 2017-06 concerning a proposition to renovate, modernize, and make upgrades to District facilities. This proposition would authorize the District to undertake renovation and modernization including, but not limited to, High School HVAC and plumbing, Old Gym interior and exterior infrastructure and systems, and other necessary safety and security repairs; interior improvements to the Elementary School; additional classroom space for music and other programs; and roadway improvements and upgrades. The proposition authorizes the District to issue \$10,800,000 of general obligation bonds and to levy property taxes annually to repay the bonds over a period of 20 years.

You are voting Approved to approve or Rejected to reject the property tax increase

Approved — you favor the property tax increase

Rejected — you do not favor the property tax increase

Argument For

This bond is about one thing: providing the best possible educational environment for our children. The bulk of this bond corrects safety issues; makes essential repairs and improvements to aging/deteriorating facilities; and improves energy efficiency. The bond includes: (1) replacing the antiquated high school heating system so that students can attend class without parkas, installing an entrance vestibule for energy efficiency, replacing deteriorating plumbing, and renovating fire suppression systems; (2) a significant renovation of the “Old Gym” including: interior/exterior painting, upgrades to mechanical/electrical/energy systems, new flooring, bleachers and scoreboard, renovation of bathrooms/locker rooms, and making the stage operational; (3) providing a new music/multi-purpose room for elementary music and our award-winning strings program, freeing up the current music classroom for art and other programs; (4) making interior improvements to areas of the Elementary School, High School and Waldron School; (5) regrading and resurfacing both School Road and the parking lot, eliminating extensive potholes; and (6) adding ADA electronic doors to make the campus more accessible for people with disabilities. The School Board has listened to our voices through extensive public input, and this bond reflects the collective educational priorities of our community. The School Board has worked hard to earn the trust of the community, and the well-executed bond of 2012 attests to the vision and good planning of the Board. We urge you to allow the finalization of these proposed projects by voting *approved* on Proposition 1.

Orcas Island School District No. 137

Proposition No. 2

Capital Projects Levy

The Board of Directors of Orcas Island School District No. 137 adopted Resolution No. 2017-07 concerning a capital projects levy. The proposition authorizes the modernization and remodeling of District facilities, including athletic fields and facilities; and authorizes the following excess levies on all taxable property within the District:

Collection Years	Approximate Levy Rate/\$1,000 Assessed Value	Levy Amount
2018	\$0.11	\$227,000
2019	\$0.11	\$227,000
2020	\$0.11	\$227,000
2021	\$0.10	\$227,000
2022	\$0.10	\$227,000
2023	\$0.10	\$227,000

all as provided in District Resolution No. 2017-07.

Should this proposition be approved?

Yes

No

Explanatory Statement

Written by K&L Gates LLP, attorneys for Orcas Island School District No. 137; Approved by Randall K. Gaylord, San Juan County Prosecuting Attorney

Passage of Proposition No. 2 would allow the levy of \$227,000 in property taxes within Orcas Island School District No. 137 for collection in 2018, the levy of \$227,000 for collection in 2019, the levy of \$227,000 for collection in 2020, the levy of \$227,000 for collection in 2021 the levy of \$227,000 for collection in 2022, and the levy of \$227,000 for collection in 2023, on all taxable property within the District, for the District’s Capital Projects Fund for modernization and remodeling of athletic fields and facilities. In accordance with Resolution No. 2017-07 approving this proposition, these taxes would be collected over six years and deposited in the District’s Capital Projects Fund to pay part of the costs to modernize its athletic fields and facilities through the repair and upgrade of existing site and structures and acquisition and installation of appropriate equipment, and to make other capital expenditures as found necessary by the Board of Directors. If authorized by the voters, and based on projected assessed valuation information, estimated levy rates per \$1,000 of assessed value would be \$0.11 (2018 collection); \$0.11 (2019 collection); \$0.11 (2020 collection); \$0.10 (2021 collection); \$0.10 (2022 collection), and \$0.10 (2023 collection). The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy.

You are voting Yes to approve or No to reject the property tax increase

Yes — you favor the property tax levy

No — you do not favor the property tax levy

Argument For

The levy before you addresses fundamental problems with the Orcas Island School District athletic fields. These improvements will also include the development of a foundation for a track. When the OISD athletic fields were first created, there were no funding resources to properly grade them. Since that time, these fields have been afflicted by floods, puddling and washouts – all of which hinders safe play. A field's grade is its backbone, and a weakness in any one part of the system can cause the whole thing to fail. This levy will fund the long-needed rehabilitation of our schools' fields. Fixing these fundamental structural issues will also allow the district to build new baseball and soccer fields, as well as construct the foundation for a donated track. The district has been offered the gift of one million dollars for the specific purpose of building a track. Maintenance of the track will be funded by the payout that the district receives from an endowment also given by this donor. Most communities, even smaller than ours, benefit from having a school district track. Orcas will too. Very few school districts have had the benefit of such a generous donation for one. Orcas Island needs a track. Your *approval* of this levy is a vote for a worthwhile investment in our children and our community as a whole. For more information, go to the website:

**Barbara
Bedell**
(Nonpartisan)

Elected Experience

I have served as a Fire Commissioner for District #2 for eight years.

Other Professional Experience

My other professional experience involved teaching American and British Literature and College Writing and developing technical manuals as a systems analyst.

Education

I have an MA in Medieval Literature.

Community Service

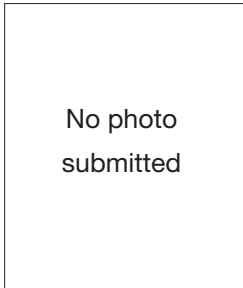

I have served on numerous boards on Orcas Island and as a member of the UW Community Action Board for the Department of Ophthalmology.

Statement

As both a Fire Commissioner and a tax payer in San Juan County, I am concerned specifically about the increasing need for and distribution of those revenues in regard to Orcas Island Fire and Rescue. Resources are limited, and the mandate of the Board of Fire Commissioners is to make judicious decisions within the annual budget regarding the purchase of new equipment, the remodeling and improvement of the seven fire stations, the acquisition of suitable training, and the improvement of communication. I do believe progress is possible in all of these areas, thus enabling Orcas Island Fire and Rescue to maintain and to improve its already exceptional level of care for our community.

Elected to Port of Orcas Commission four times.

Other Professional Experience

Research geologist/paleobotanist with Pan American petroleum and Geological Survey of Canada.

Education

Graduate degrees from Universities of Washington, Alaska, and British Columbia.

Community Service

Have been on various boards and committees over my 34 years on Orcas Island. Currently on local medical board, member of the SJC Board of Equalization, and a Commissioner for the Port of Orcas. Also have done volunteer work with the Senior Services of Orcas Island in years past.

Statement

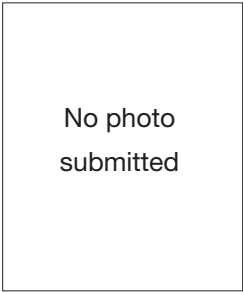

The Orcas Island airport is a vital part of the island community serving transportation, medical and emergency needs. My concerns have always been, and continue to be, an airport where safety and efficiency are paramount.

Over the years I have been on the Port Commission we have had a steady improvement in both of these categories which continues to this day. Terminal facilities have improved, emergency electrical facilities have been installed, runway and medical helipad lighting has been updated, and automated weather facilities installed. New ground navigational equipment has improved safety for aircraft, passengers and persons on the ground. Other improvements have been made. And through all this the airport has continued to be a friendly facility.

I would like to continue to be a part of this continual positive change and would appreciate your vote for me as airport commissioner, position 4.

Henriksen**

(Nonpartisan)

Elected Experience

I have been elected to, and currently serve on, 3 non-profit boards: Camp Nor'wester, Lopez Island Historical Society, and Lopez Island Yacht Club. This is my first campaign for an elected government position.

Other Professional Experience

Facilities Manager at Camp Nor'wester – 11 years and co-Director – 22 years.

Education

BS in Microbiology and Wildlife Biology from WSU. Water and Wastewater Treatment Plant Operator.

Community Service

Lopez School District: Project Design Advisory Team, PIP (Play Intervention Program) for 4 years, Nicaragua Trip Chaperone and Fundraiser – 11 years, Substitute Bus Driver – 36 years. FLIP Building Committee. Commodore – Lopez Island Yacht Club. Past San Juan Audubon Society President.

Statement

I moved to Lopez in 1978 to work at Camp Nor'wester. There I married and raised two children. My wife, Christa, and I directed the Camp from 1989-2012, and relocated it to Johns Island in 2000, managing a 10 million dollar capital campaign. I worked with Board members, staff, campers, parents, contractors and governmental agencies. I bring management experience, local knowledge and ability to listen and work with different people to the Port Commission.

Lopez Airport is a vital link for our community, sustaining the local economy. I will work to retain the Port as a viable facility for local pilots, airlift operations, disaster preparedness and as an economic connection to other islands and the mainland. I am interested in Lopezians' views for marine related projects. The Port is well managed, and I will help the Port Commission continue these fiscally responsible efforts to enhance the Lopez community.

Bailey**

(Nonpartisan)

Elected Experience

This is my first time seeking public office.

Other Professional Experience

40+ years: business lawyer; 35+ years: business owner; 40+ years: leader of local/national nonprofits; Captain, US Army (artillery, 1963-70), awarded Army Commendation Medal.

Education

Dartmouth College, AB (scholarship recipient; current class president); University of Illinois, JD (2007 Distinguished Alumni Award).

Community Service

Current: Consultant, Hamlet House (2012-); Treasurer, World Justice Project (2007-). Previous: President, Ryther Child Center; Vice President, MOHAI; President, Seattle Youth Symphony; President, Job Therapy; President, Puget Sound Social Programs; Trustee, Northwest Soccer Fund; Trustee, Laurelhurst Community Assoc.; President/Coach, LVR Soccer Assoc.; Scout Leader, Chief Seattle Council/BSA.

Statement

When money is tight, business experience, independence, and professionalism matter. As a Lopez homeowner since 1975 and full-timer since 2010, I understand the increasingly complex challenges our Port faces, such as limited funds to hire professional expertise. As Commissioner, I'll apply my legal/business expertise, problem-solving and listening skills, and team-oriented approach. I am committed to maintaining respectful, constructive dialogue with all citizens and as a regular attendee of Port meetings, I understand the importance of transparency in all Port decisions. To maintain the safety and viability of our airport, we must become both more creative and efficient with our funding. I will focus on using taxpayer money wisely and prudently to pursue goals benefiting all Lopezians. I've proven my ability to do so in numerous organizations.

Please let my broad, unique skillset and experience benefit our Port. I ask for your vote and your support.

Lopez Solid Waste Disposal District

Proposition No. 1

The Governing Body of the Lopez Solid Waste Disposal District adopted Resolution No. 01-2017 concerning an excess levy for the District. This proposition would authorize the District to generate \$105,000 by a levy of excess taxes upon all taxable property within the District in an amount estimated to be \$0.10131 per \$1,000 assessed valuation for one tax year – 2018 – for the purpose of funding operations and capital improvements of the District.

Shall the proposition be approved?

Yes

No

Explanatory Statement

Written by Randall K. Gaylord, San Juan County Prosecuting Attorney

Each year, the Governing Board of the Lopez Solid Waste Disposal District has proposed a balanced budget that includes revenue from tipping fees based upon weight or volume and tax revenue to be paid for with a one-year property tax levy. The amount of the tax revenue for 2018 is \$105,000.

The Governing Board has adopted Resolution No. 1-2017 calling for an election to approve the one-year property tax measure. If adopted, taxes on property within the district will increase by approximately \$0.10131 per \$1,000 of assessed value for taxes imposed for the year 2018.

The revenue raised by this proposal must be used by the Lopez Solid Waste Disposal District for operations and capital expenses.

A sixty percent majority is needed to pass this proposal. A “yes” vote is a vote to approve the proposal; a “no” vote is a vote against the proposal.

You are voting Yes to approve or No to reject the property tax increase

Yes — you favor the property tax levy

No — you do not favor the property tax levy

Argument For

The solid waste levy must be approved by voters every year.

From January to July, 2017 volumes increase by 6%. We recycled over 119 tons, reclaimed 63 tons of glass, hauled 239 tons of garbage off island, and diverted over a ton of materials per day from landfills to reuse through Take It or Leave It. Over 28,000 customers will visit in 2017. Volunteers are providing over 3,750 hours of support annually.

This year we expanded recycling/garbage hours by 33%, paved, and improved parking, hired a District Manager, added security cameras, better secured the TOLI, and initiated a program with the Lopez school to find higher-value uses for recycled plastics.

The Lopez Dump will continue with free self-separated recycling and \$8 per garbage can. Ours is the lowest cost solid waste facility in the county.

Garbage fees alone cannot support our system. Skagit fees increased this year while product prices remain depressed. This levy of \$0.10131 per \$1000 of assessed value will provide us \$105,000 – a small price to pay for a well-managed, award-winning program that helps keep our beautiful rural island healthy and clean.

Vote for Lopez Proposition 1 to keep our Lopez Dump and Take It or Leave It operating under local control and managed according to Lopez values.
