

## Public Comment on Vision Statement

To: SJC Planning Commission

From: Zach Rowland

Date: 4/18/2018

I recommended the Planning Commission amend the San Juan County Vision Statement as follows:

1. Adopt **Staff Report OPTION C<sup>1</sup>**: Add a stand-alone Agriculture section to the Vision Statement.
2. ADD the following section

**AGRICULTURE** *The San Juan Islands have a rich agricultural heritage that remains culturally and economically significant. We invest resources to ensure that agricultural lands are preserved and to maintain and enhance agricultural viability. We encourage regenerative practices and recognize the integral role that agriculture plays in the stewardship of our soils and water resources. Agricultural activities are essential to the health and well-being of our community, contributing to the social, economic and environmental fabric of our islands.*

<sup>1</sup> **OPTION C**: Recommendation can be found on page 3 of SJC Department of Community Development Staff Report dated March 29, 2018 found here: <https://www.sanjuanco.com/DocumentCenter/View/14761>

Thank you,

Zach Rowland
