RE: Lopez Village Plan and assorted documents, March 26, 2019.

I have owned two properties located at 2262 Fisherman Bay Road and 2290 Fisherman Bay Road, Lopez Island, WA 98261 for some time.

The plan proposes view corridors that appears to cross my property.

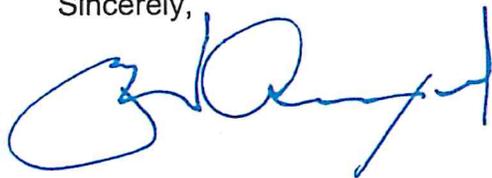

Although, there is no apparent regulatory affect, I am concerned that the existence of the proposed view corridors, in the future, could rationalize material restrictions on my properties.

We expect to be included and participate in any dialogue that would result in regulatory restrictions on my property.
