**Subject:** FIRE LANE

Linda, Just to let you know that there is a Fire Lane surrounding the common land on the land where I have my buildings, it is a no build zone and access, and a utility easement. The new parking plan puts trees blocking the fire lane access. Especially 45 Eads Lane would be cut off.

December 19, 2002

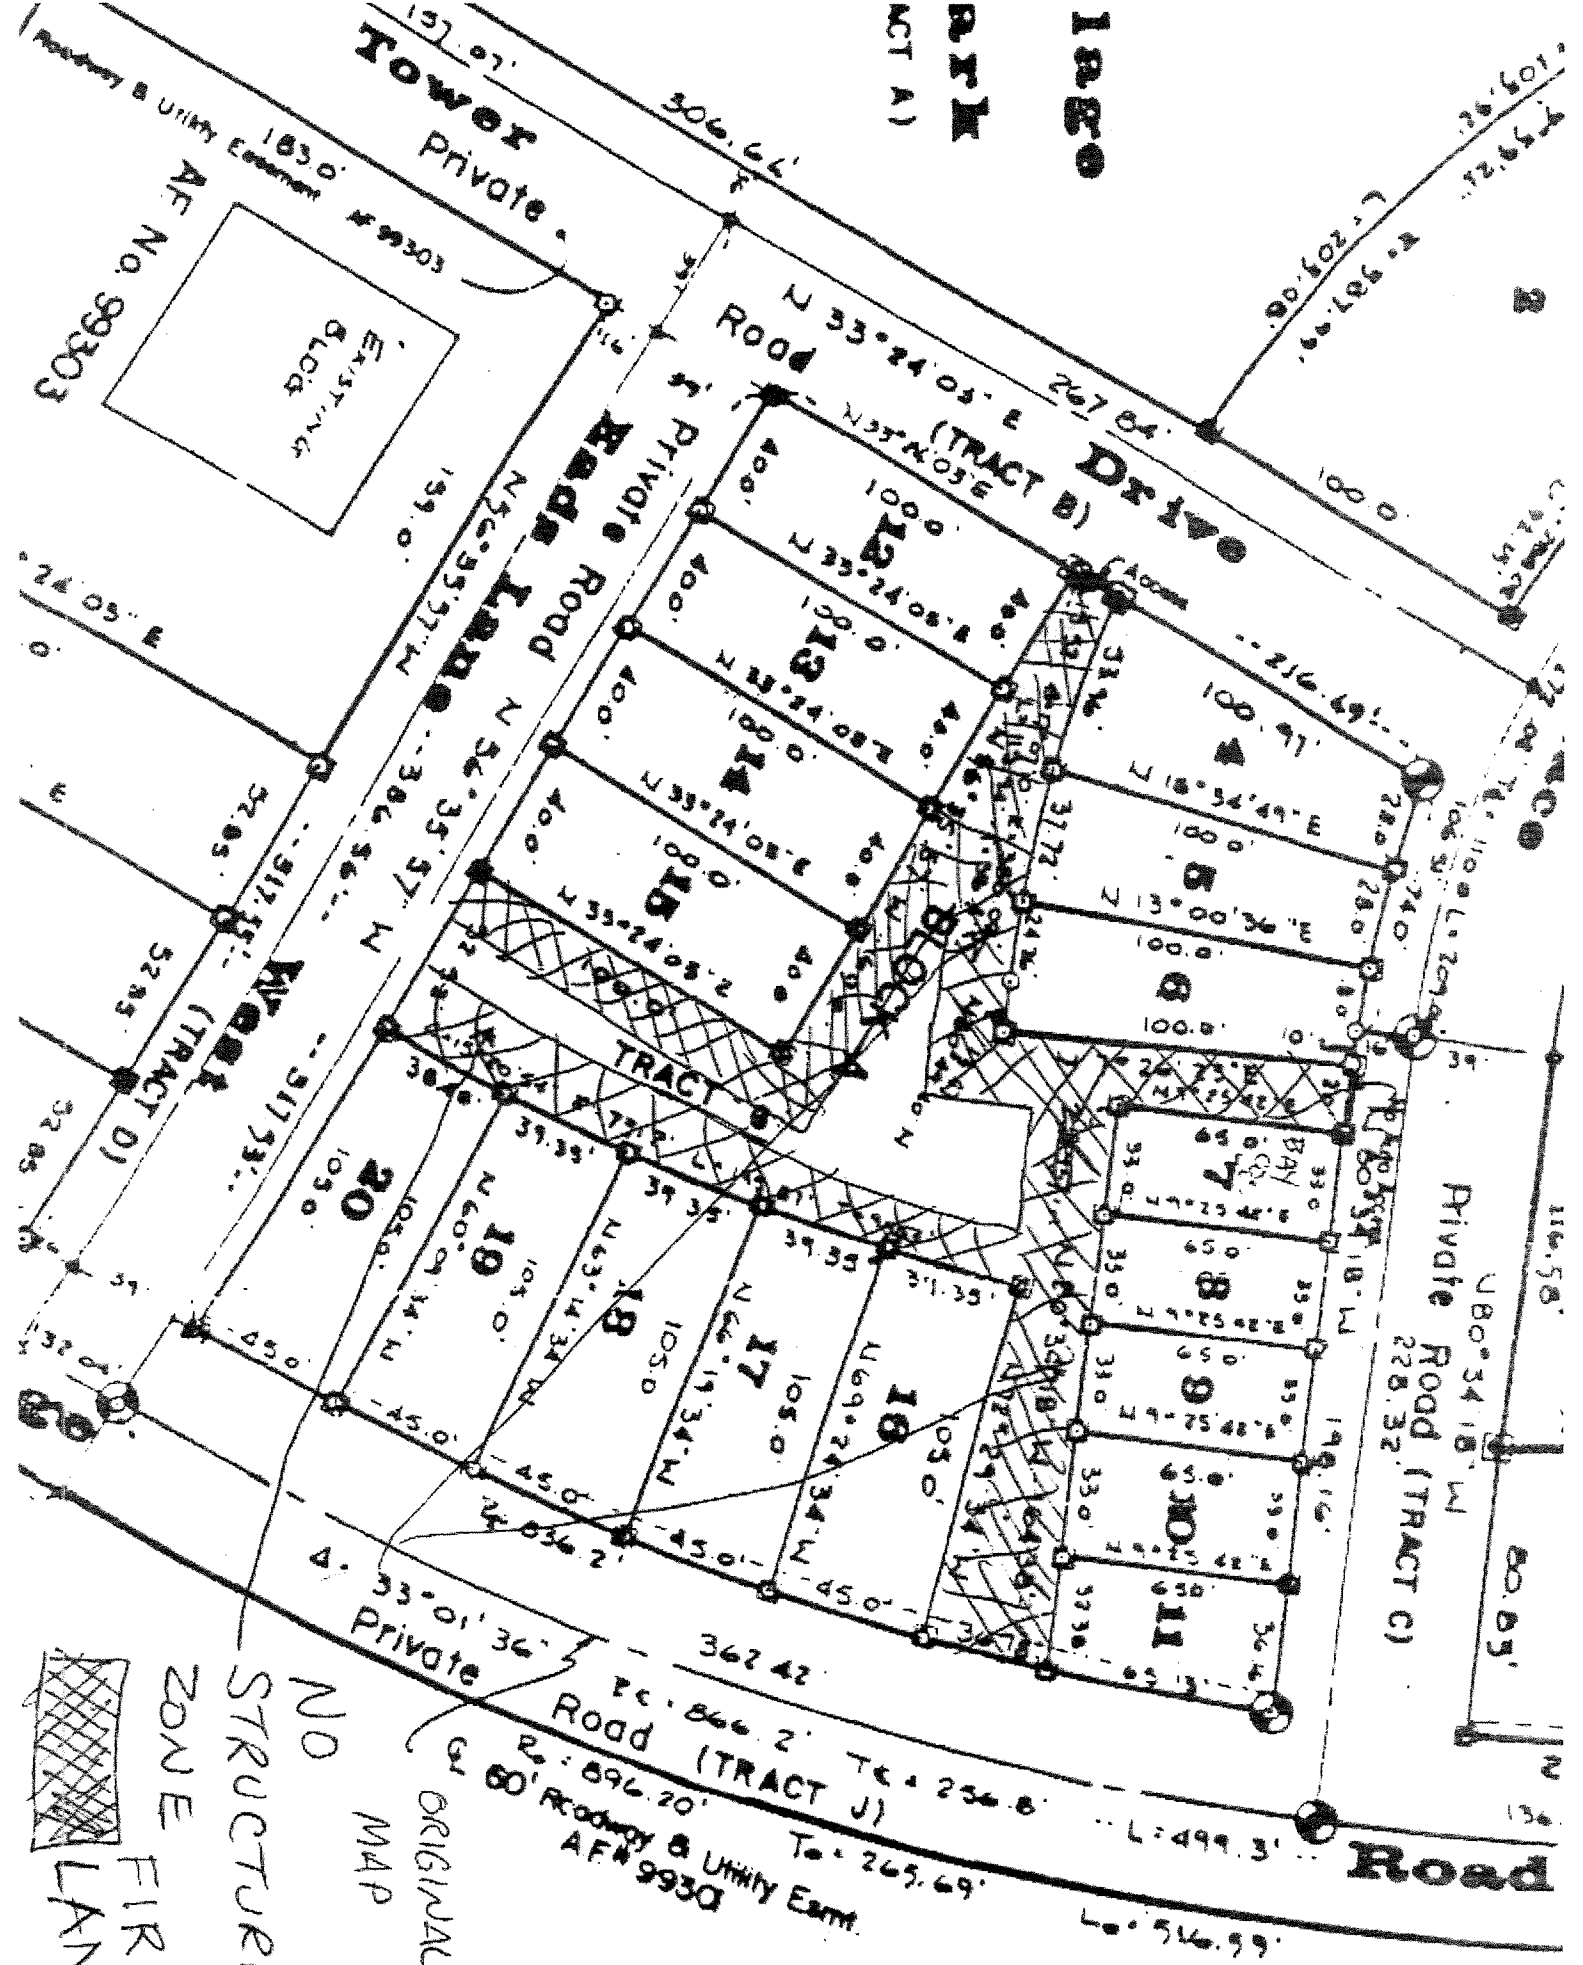

Greeting L.V.A. property owners:

Since lots 4 through 20, Block A, Lopez Village are buildable to lot lines, Craig Vaughn the Lopez Building Inspector, would like us to further clarify use of the Common Area, to disallow above ground structures on the Common Area, within 20 feet of any private property line. This would allow lot owners to build to their property line and still meet the current San Juan County Fire code.

Please sign, date and send the enclosed acknowledgement back in the enclosed envelope by January 10, 2003. If you have any questions, please call me at 360-468-2032 and I will be happy to discuss it with you.
