I. INTRODUCTION

The applicant, Paula Gustafson, owns a legally created residential duplex building located at 1179 Rosario Road, which is in the Rural Residential land use designation on Lot 56 of the Rosario Estates subdivision on Orcas Island. (*Staff Report, page 1*). Unit No. 1 of the Gustafson duplex is a one-bedroom unit now used as a long-term rental. Unit No. 2 is a studio unit and is the subject of this application. The applicant requests Conditional Use Permit approval to operate the studio unit as a short-term vacation rental (less than 30 days) for no more than two people over the age of 12. The Staff Report thoroughly summarizes the details associated with this application and demonstrates how it complies with applicable approval criteria, subject to conditions. As explained below, the pending application is approved, subject to conditions of approval.

II. CONTENTS OF RECORD

III. APPLICABLE LAW

Jurisdiction.

Under SJCC 18.80.090(C), if a development application is processed as a Conditional Use Permit application, "the Hearing Examiner is the decisionmaker." SJCC 18.80.100(C), captioned "Decisionmaking Authority", provides that "[t]he hearing examiner has the authority to approve or deny conditional use permit ... applications, and to impose conditions of approval on such permits."

Conditional Use Permit required for vacation rentals.

The applicant's property is located in the Rosario Activity Center. The allowable and prohibited uses for residential activity center areas in the County are the same as those for properties in the Rural Residential land use designation. (*See* SJCC 18.30.220(C)(2)). The Table provided at SJCC 18.30.040 expressly allows vacation rentals in the Rural Residential land use designation, subject to a Conditional Use Permit.

Standards for vacation rentals; Criteria for CUP approval.

San Juan County's Unified Development Code includes specific standards that apply to all vacation (short-term, less than 30 days) rentals of single family residential units and accessory dwelling units or portions thereof. These standards are now found at SJCC 18.40.275. The Criteria for approval of a Conditional Use Permit are found at SJCC 18.80.100(D), and include ten items that must be considered by the Examiner.

Burden and Nature of Proof.

Under SJCC 18.80.040(B), "[t]he burden of proof is on the project permit applicant. The project permit application must be supported by evidence that it is consistent with the applicable state law, County development regulations, the Comprehensive Plan, and the applicant meets [their] burden of proving that any significant adverse environmental impacts have been adequately analyzed and addressed."

IV. ISSUE PRESENTED

Whether a preponderance of evidence demonstrates that the applicant has satisfied her burden of proof to meet the criteria for Conditional Use Permit approval?

Short Answer: Yes, subject to conditions.

V. FINDINGS OF FACT

Upon consideration of all the evidence, exhibits, testimony, codes, policies, regulations, and other information contained in the file, the undersigned Examiner issues the following findings, conclusions and Decision approving the Conditional Use Permit as set forth below.

1. Any statements in previous or following sections of this document that are deemed findings are hereby adopted as such, including without limitation the Introduction provided above.
2. As noted above, Paula Gustafson, own a property located in the Rosario Estates subdivision on Orcas Island, with an existing, legally-created duplex on the site.

3. The applicant requests approval to rent the studio unit of her duplex building as a single vacation-rental unit, for periods less than 30-days, expressly limited to no more than two overnight guests in her application materials. (*Ex. 1, application materials, see first page of applicant's letter*). The other unit, a 1-bedroom residence that is currently used as a long-term rental, is not covered by this permit and may not be used as a short-term vacation rental. The applicant is hereby fully advised and informed that vacation rental of both a principal residence and an Accessory Dwelling Unit (ADU) on the same property is expressly prohibited by current county codes. (*See SJCC 18.40.275(A)*).
4. The applicant's duplex is served by an on-site septic system that was replaced in 2018 and receives water service from the Rosario community water system (*Staff Report, at page 2, item 7, and at page 7, item 5; Ex. 7, Repair Sewage Design Application/Permit, submitted to San Juan County Health and Community Services in April of 2018*).
5. The Staff Report thoroughly explains how: a) the applicants' proposed vacation rental can be operated and conditioned to satisfy all applicable performance standards for Vacation (short-term) rentals, found in SJCC 18.40.275 (*See Staff Report, pages 3 – 6*); and b) how the pending application satisfies all approval criteria for the requested Conditional Use Permit (SJCC 18.80.100(D)), subject to conditions (*See Staff Report, pages 6-8*).
6. There is no evidence in the record that would serve as a basis to deny the requested permit. Instead, the analysis and explanation provided in the Staff Report, with its supporting exhibits, constitutes a preponderance of evidence demonstrating how the requested permit complies with all applicable approval criteria. If the applicants fail to comply with any conditions of approval, it could result in revocation of the permit addressed in this decision.
7. As with all permits issued by the County, this permit does not waive or excuse an applicant's obligation to comply with any utility service provider's lawful regulations or requirements, including without limitation electrical, telephone, cable, internet, sanitation, and water service providers.
8. Again, violations of any condition of approval may be grounds for issuance of a Notice of Violation and possible revocation of the conditional use permit addressed herein.

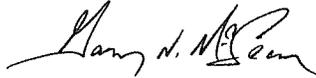

VI. CONCLUSIONS of LAW

1. Based on the Findings as summarized above, the undersigned examiner concludes that the proposed Conditional Use Permit for a vacation rental conforms to all applicable land use requirements and appropriately mitigates adverse environmental impacts. Upon reaching such findings and conclusions as noted above, the CUP application meets the standards necessary to obtain approval by the County.
2. The Department's recommended conditions of approval as set forth in the Staff Report and modified in this Decision are reasonable, supported by the evidence, and capable of accomplishment. Each and every condition is adopted and incorporated herein by reference, except as modified below.
3. Any Finding or other statements in previous or following sections of this document that are deemed Conclusions are hereby adopted as such.

VII. DECISION

Based upon the preceding Findings of Fact and Conclusions of Law, evidence presented through the course of the open record hearing, all materials contained in the record, and the Examiner's online site visit, the undersigned Examiner APPROVES the Conditional Use Permit for the Gustafson vacation rental, subject to the attached Conditions of Approval as recommended by the County's staff and modified herein.
