Subject: International Ports of Entry on Orcas and Lopez Islands

San Juan County Planners,

I strongly urge removing the establishment of International Ports of Entry on Orcas and Lopez Islands as goals in the Draft Comprehensive Plan.

The text is in Section 6.2.B and Section 6.3.A.

The additional ports of entry on Orcas or Lopez would be both costly and unnecessary. San Juan Island provides an excellent port of entry and those people or goods wishing to eventually arrive on Orcas can easily go through the existing POE on that San Juan. The Orcas Airport faces considerable present expense to improve its facilities.

Thank-you for considering this matter.
