

MEDIA RELEASE

San Juan County

FOR IMMEDIATE RELEASE: December 31, 2020

Case Update

Note: Current positive case numbers are available online at the [County Case Count Page](#). As indicated on that page, these numbers are only updated after case confirmation is complete, usually daily. It is possible that other information sources in community may be quicker to report on new cases, but ensuring privacy and accuracy is critical for this official information source.

Since the [last update](#) on Friday DEC 25th, total cases in San Juan County have increased from 78 to 79. The new case is on Orcas Island.

ORCAS ISLAND

The new case on Orcas has resulted in one case being actively monitored on Orcas at this time. Transmission for this case appears to be from a Christmas gathering.

LOPEZ ISLAND

There are no positive cases being actively monitored on Lopez Island at this time.

SAN JUAN ISLAND

There are no positive cases being actively monitored on San Juan Island at this time.

OVERALL PICTURE:

-San Juan County Health & Community Services put on two COVID immunization clinics on Orcas and San Juan Islands this week, vaccinating approximately 100 first responders and healthcare workers. Clinics will continue next week and beyond, focusing on the vaccination of emergency response and healthcare personnel, and residents and staff of long term care facilities.

-Happy New Year!
