Hi Erika,

The recent moratorium on new vacation rental permits said it was a fact that vacation rentals have a significant (adverse?) impact on the community. This was actually a finding, and a conclusion, not a fact. And there were no facts in the resolution that supported that finding. I don't believe that calling a conclusion a fact makes it a fact. Where can I review the facts that were the basis for that finding? I assume they were in some previous document? Nothing was cited.

Thanks

Grant Bailey
