Subject: Vacation Home Rental Permits

I am a homeowner on San Juan Island. I am very concerned that the County Council is considering further limitations on vacation rentals. Two years ago the Council implemented major changes to vacation rental permits in our County.

1. Please do not take away our current vacation rental permit. We have always followed the rules. We spent time and money to obtain our permit. We should be allowed to keep our permit.
2. Please allow our permit to pass to a new owner of our property.
3. Please do not place any further limits on our permit.

Remember that tourism and property values are the lifeblood of San Juan County. If we limit tourism, the result will be less revenue for our County. Furthermore, I do not think it is fair to restrict how I can use my house.

Thanks,
