

MEDIA RELEASE

San Juan County

FOR IMMEDIATE RELEASE: February 19, 2021

Weekly Case Update

Note: Current positive case numbers are available online at the [County Case Data Dashboard](#). As indicated on that page, these numbers are only updated after case confirmation is complete, usually daily. It is possible that other information sources in community may be quicker to report on new cases, but ensuring privacy and accuracy is critical for this official information source.

Since the [last update](#) on Friday FEB 12th, total cases in San Juan County have increased from 126 to 129. Two of these new cases are on Lopez Island and the third is on San Juan Island.

Note that approximately 9 close contacts of positive cases are currently in active quarantine.

ORCAS ISLAND

There are no new cases on Orcas Island since the last update.

There are no positive cases are under active monitoring on Orcas Island at this time.

LOPEZ ISLAND

There are two new cases on Lopez Island. Both cases are household contacts of a previous positive case.
