Re: Vacation Rental Moratorium

Dear County Council Members,

We support the moratorium on vacation rental permits. The landlords of the vacation rentals do not take into account the inconvenience to full-time island residents. We, like many Orcas Island residents, chose island life for the peace and quiet. Unfortunately, the dramatic increase in vacation rentals has had a very negative affect on the quality of life here. We strongly encourage not only a continuation of the moratorium, but a nonrenewal of permits upon sale/transfer of property.

Thank you for your efforts to preserve our wonderful island.

Sincerely,
John and Jill Dann
