Dear County Council,

I support the moratorium on vacation rentals.

I have seen other parts of the country and world changed in a negative way due to the overabundance of vacation rentals. I have also seen other areas protect their residents and place limits on vacation rentals, sometimes getting rid of them entirely.

We are a growing but rural community. I value the rural nature of our community.

I also do not like those who do not reside here, using our community for their benefit to our detriment. We have a right to say no. We have a right to regulate what occurs in our county and on our island.

Sincerely,

Jennifer Lehr
