Subject: extending the moratorium

Dear County Council Members,

I urge you to extend the moratorium on vacation rentals in San Juan County.

This issue of too many vacation rentals in our islands is a long-standing one, and it needs some resolution. I think that this resolution can only be reached by you taking the time to study all aspects of this issue. A moratorium will give you a chance for this in-depth study.

Thank you for the work you are doing on this issue.
Jan Ehrlichman
