San Juan County

FOR IMMEDIATE RELEASE: March 11, 2021

Survey to Assess Number of Unvaccinated Islanders Who Are 65 or Older

To better understand the current need for vaccinations from the San Juan County 65+ community, San Juan County Health and Community Services asks that those who meet ALL of the four measures below fill out a simple form.

PLEASE BE:

- A San Juan County resident (short term or long term), and
- Age 65 or older, and
- Currently UNVACCINATED, and
- Interested in being vaccinated.

The form is available online at the link below:
