

MEDIA RELEASE

San Juan County

FOR IMMEDIATE RELEASE: March 19, 2021

New Vaccine Registration Window: MONDAY MARCH 22nd @ 9AM

San Juan County Health and Community Services will be opening registration for first dose vaccine appointments on Monday March 22nd at 9:00am. These clinics will be on Orcas and San Juan Island.

Those who are eligible and wishing to register for an appointment should go to <https://www.sanjuanco.com/1737/COVID-Vaccine-Info> at **9AM on Monday March 22nd**. There will be links clearly marked for each clinic. At this time, Phase 1a and Phase 1b Tier 1 and 2 are eligible for vaccination.

The links will be shown in the "STEP 2" section, highlighted in orange. Details on timing of clinics and approximate number of doses available will be posted on [the vaccine info page](#) once confirmed.

[More eligibility information is available here](#). Please also take a look at [this recent Hot Topic document](#).

Please note that the registration system has been upgraded. You will now choose a slot at the beginning of registration and then be given 15 minutes to complete your registration. If there are no appointments left, it will be clearly shown at the beginning of the process.
