Schedule

Project Plans are in final review in preparation for advertisement.

➔ CONSTRUCTION ON HOLD ➔

Onsite work to begin Spring 2022

- Public Works looks to push pause on construction and delay construction-related community impacts until Spring of 2022.
- Plans for a single continuous construction effort remain unchanged from Main Street through North Beach Road.
- Staff will utilize this time to continue improving efforts that minimize impacts and costs to the Orcas Island community.
- The project bidding phase, including advertisement and contract award, is scheduled to occur later this year in 2021.
- There are no changes to the project scope or design elements.
