Subject: Proposed Tree preservation code

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Sophia-

I am writing to say that I support the proposed new code to preserve trees and canopy cover in the islands. Recently, on Lopez, there have been many many trees cut down and I believe it is time for us to be proactive about preserving the ecological function and benefits of trees in our community.

Thank you, Heather Mitchell Lopez Island
