hello,  
my name is brooke budner and ive been a resident of san juan county for 15 years. i am writing to express my strong support for docket 21-0003. i believe it is of critical importance that the county have a cap on population growth. not only would be be pushing the limits of our natural resources, but the county and community would lose much of its character and soul if population growth is allowed to go unchecked.  
thank you for considering my opinion,  
brooke budner
