Dear Commissioners,

My name is Ann Marie Fischer and I have lived on Lopez Island for 34 years. I taught at the school for 33 of those.

I wholly support a cap on vacation rentals, and I congratulate you for instituting that. However, I do not support a 34% increase in our cap on Lopez Island at this time..

We are a small island, with limited resources. Our water is finite, I believe. Vacation rentals consume a great amount of water, with having to wash all the bedding and sheets for each guest.

Let's be wise and cautious in this matter. Please don't increase the cap for Lopez at this time.

Thank you,

Ann Marie Fischer
