Dear Planning Commission,

Please see the attached letter I wrote to the SJC Council. I was just told that I should also let you folks at the Planning Commission know of my thoughts and feelings as well re: vacation rentals. Please open the attachment to read my letter. I don't know why I am unable to simply forward the letter to you but the program puts it into an attachment.

I promise it is an attachment you can trust!

Very sincerely,

Jackie Wolf
