Subject: Vacation Rental Limits

Hello Commissioners,

As a full time island resident and business owner/employer, I believe that SJC should have limits on vacation rentals and that all rentals should be required to be owned by island residents. It is extremely difficult to find housing for my crew, and vacation rentals are a large part of the reason why.

Thank you for your service to our community... This issue's decision making will alter the very fabric of our island home.

Regards,
