Dear Planning Commissioners,

My name is Ann Marie Fischer and I have lived on Lopez for 34 years. I was a teacher at the school for 30 of those.

I am asking you to be wise and cautious, and limit the number of vacation rentals allowed on Lopez. I think a reasonable number would be fifty. Here are two main reasons why:

- Lopez is a small island, with limited resources. VRs use a huge amount of water, to wash sheets and bedding after each use;
- We do not have enough housing here. Rentals are few and far between. I know some of the VRs could be used for long term rentals.

There are more reasons, but I feel this is enough to make a strong case for limiting VRs on Lopez.

Thank you,  
Ann Marie Fischer
