Please don't make Lopez into Nantucket - oh wait; with no affordable housing for young working folk we're already there. Is it wonderful? Increased traffic, reduced product in grocery stores, wildly unreasonable ferry access, and decreasing numbers of viable volunteers for emergency services - not the quality of life we sought when moving to Lopez (full time since 1996, part time 1969-96).

Next project - bridge to the mainland.

Candy R. Midkiff
