Dear County Council Members,

I'm joining my Lopez Island friends and neighbors to request that you vote **against** increasing vacation rentals on our beautiful little island. The ecosystem on Lopez Island is a fragile one. Increasing the number of visitors to Lopez would be harmful to our residents, to the people who work here, to businesses in our community, to our water, and to the wildlife surrounding us.

Please consider my request, and those of my friends and neighbors on Lopez and vote no. Thank you.

Sincerely,

Barbara Carver
