Lynda,

I'm so glad to see your name as a member of the Planning Commission. Thanks for serving.

While (David before his death) I live in the Town, I understand the noise and disturbance these places present. We have an illegal one across the street on Harrison and it is a real nuisance for the neighborhood. While we all have company and this is wonderful, a party house is not desirable and decreases our own value.

Please try to stop this. If more vacation zoning is needed so be it but having these in residential neighborhoods should not be allowed.
