> Re: Establishment of fixed permanent caps on the total number of
> Vacation Rental Permits I write to support the the establishment of caps on Vacation Rental Permits (VRPs) in San Juan County (SJC).
> I am deeply concerned that we do not have any caps in place for the amount of vacation rentals permitted in our county. My family and I have vacationed and lived on Orcas for over 40 yrs. We have all seen the trend of growing impact from increased tourism and the negative effects on our community, neighborhoods, resources and housing for working class.
> We must act now to establish caps as we have already taken too long to put anything in place.
> Please consider this opportunity as urgently as we feel it is.
