Subject: Docket Request 21-0003

I urge the County Council to put Docket 21-0003 on the work plan for DCD as part of the process for completing the Comprehensive Plan update.

In light of our recent ferry problems, and the realization of drought conditions, how can we not put Docket 21-0003 on the work plan for DCD as part of the Comprehensive Plan?

Our islands have a finite amount of land, we need to look long range to protect this it.

Sincerely,
Denise and Stewart McDougall
