**Subject:** Docket Request 21-0003

**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I urge the County Council to put Docket Request #21-0003 by Joe Symons on the work plan for the Department of Community Development as part of the process for completing the Comprehensive Plan update now under revision.

The sustainability of our resources here in San Juan County hangs in the balance. It is your duty to address these issues now, while there is still time for remedial action.

Sincerely,

Marc Cohen
