Subject: Supporting Vacation Rental Cap

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I support an immediate cap on vacation rentals. I do not believe properties zoned residential should even be allowed to be used in a commercial manner but if they must---put a cap on that usage or the community of Orcas will disappear and will only be a faceless commodity. Sincerely, Michael and Terri Triplett
