We concur that there should be a cap on Vacation Rentals. Orcas Island has been inundated with tourists and limiting the amount of lodging available is a good way to curb this and to preserve the tranquility of the island. As it is now, locals can't even get into their favorite coffee shop or restaurants due to the influx of visitors. We don't want Orcas Island to become another Vail, Colorado where the island is only geared for tourists and not the residents who live there!!!

Thank you for your consideration.
