Dear Planning Commission members-

Thank You for your unanimous support of a cap on vacation rentals At your last meeting on August 20. I urge you to now support making the cap effective as of that date, in order to avoid a flood of new applications between 8/20/21 and when the ordinance takes effect. Summer 2021 clearly showed that we are already 'maxed out' in the number of short-term rentals that the Islands can manage.

Thank you for all your hard work on this most important issue.

Best regards,
Andrea Cohen
