Subject: Proposed Use of "Caps" for Regulation of Vacation Rentals in San Juan County

Dear Members of the San Juan County Planning Commission

It's time to step-up-to-the plate and place a cap on the detrimental effects on our islands of too many vacation rental permits in SJC.

I live on Orcas and have seen the over-whelming, NEGATIVE changes in my Olga community with over too many rentals.

We need to take care of the full-time residents who are being "priced-out" of homes due to rising taxes and the effects of not enough affordable rentals.

We need to fix the corruption and greed that seems to be rampant in some of our agencies that have created this present situation.

ENOUGH IS ENOUGH... time to reclaim the reasons we have chosen SJC as home.
