Please approve the Vacation Rental Ordinance to cap vacation rentals.

There is much rhetoric on both sides, but realistically as islands we are reaching maximum capacity. Ferries are failing, water is becoming scarcer as wells are failing, water companies are resorting to desalination plants because their wells can't supply demand and parks are being degraded due to the overabundance of people and visitation.

I could go on indefinitely, but won't. You already know.

Please cap vacation rentals.
