Greetings elected officials of San Juan County government,

My name is Gisella Villarreal. I live on Orcas Island and I clean vacation rentals and others types of homes for a living. I am like many friends and family who work in hotels and homes. We heard that you are thinking about to stop having vacation rentals because there are not enough places to rent to live in. That is not true. We know of many places available right now. People we know do not have problem finding homes to rent because we take care of our homes and we pay the rent on time. Sometimes it is a little harder when someone has a dog, but there are places like that too. Please don't stop having new vacation rentals because you think there are no places to rent. We are the ones who rent our homes and so we are the ones who are looking for homes and there are homes to rent right now.

Because there are vacation rentals on Orcas Island then we have places to work and live.

Thank you very much.
