Dear Commissioners,

I am writing to comment on the decision you made on September 17 to reverse your unanimous decision on the August 20 decision about limiting VRs. If the August 20 decision was not binding why should the decision on Sept 17 be valid.? Why did you reverse the decision? Special interests perhaps? I believe you should all resign when you are proving to be not responsive to the community you are representing.

Doreen Kana. 40 year resident of Lopez Island
