NEED TO KNOW

- Vaccinations are still the best method of preventing serious illness and death from COVID-19. San Juan County will be having mass clinics January 21-23 and there are still appointments available. [SIGN UP FOR AN APPOINTMENT HERE](#). First and second doses available for everyone ages 5+ and boosters available for everyone eligible ages 12+. Pfizer and Moderna appointments available.
- Test positive from an over-the-counter test? SJC now has an online submission portal. [CLICK HERE](#) or scan the QR code below. If you cannot submit your positive results online, leave a voicemail message at 360-370-7500.
- Note that high case volume is preventing the Health Department team from performing standard case investigations. [Please review this document carefully](#) to ensure that you are taking all precautions and doing all you can to minimize community spread.

REAL TALK

- Testing supplies are limited. The whole country is experiencing this frustration. Until more supplies shake loose, we must act with extra caution. If you feel sick, stay home. Limit gatherings outside of your household. Mask up. Stay safe.
