11" x 17" (Black & White)	\$1.00	24" x 36" (Black & White and Color)	\$6.50
Up to 8 ½" x 14" (Color)	\$1.50	36" x 48" (Black & White and Color)	\$8.00
FAX	\$2.00 + \$1.00 each additional page		

\* **Building Valuation** is determined by the Building Official or Fire Code Official, based on the current International Code Council Building Valuation Data with a cost modifier of 1.3, and/or local valuation information.

\*\* **Plan Review Deposit.** An estimated non-refundable deposit of the Plan Review Fee, as calculated by DCD, shall be collected at time of permit application.

\*\*\* **Appeal Fee.** If the appellant is the prevailing party in an appeal of a code or administrative determination, and the County chooses not to appeal the decision, the County shall refund the Appeal Fee.

<b>Building Valuation</b>	<b>Fee</b>	<b>Calculation for Permit Fee</b> <i>(Value must be rounded up to the next \$1,000 increment)</i>	<b>Plan Review Fee</b>	<b>Fee Estimate</b>
\$1 to \$2,000	\$69			\$69
\$2,001 to \$40,000	\$69 for the first \$2,000; plus \$11 for each additional \$1,000 or fraction thereof, to and including \$40,000	((Value rounded up to the next thousand -2,000) X 0.011) + 69	Permit Fee X .65	Permit Fee + Plan Review Fee
\$40,001 to \$100,000	\$487 for the first \$40,000; plus \$9 for each additional \$1,000 or fraction thereof, to and including \$100,000	((Value rounded up to the next thousand -40,000) X 0.009) + 487	Permit Fee X .65	Permit Fee + Plan Review Fee
\$100,001 to \$500,000	\$1,027 for the first \$100,000; plus \$7 for each additional \$1,000 or fraction thereof, to and including \$500,000	((Value rounded up to the next thousand -100,000) X 0.007) + 1,027	Permit Fee X .65	Permit Fee + Plan Review Fee
\$500,001 to \$1,000,000	\$3,827 for the first \$500,000; plus \$5 for each additional \$1,000 or fraction thereof, to and including \$1,000,000	((Value rounded up to the next thousand -500,000) X 0.005) + 3,827	Permit Fee X .65	Permit Fee + Plan Review Fee
\$1,000,001 to \$5,000,000	\$6,327 for the first \$1,000,000; plus \$3 for each additional \$1,000 or fraction thereof, to and including \$5,000,000	((Value rounded up to the next thousand -1,000,000) X 0.003) + 6,327	Permit Fee X .65	Permit Fee + Plan Review Fee
\$5,000,001 and over	\$18,327 for the first \$5,000,000; plus \$1 for each additional \$1,000 or fraction thereof	((Value rounded up to the next thousand -5,000,000) X 0.001) + 18,327	Permit Fee X .65	Permit Fee + Plan Review Fee

**Example is based on a \$249,364 Value** (valuation must be rounded up to the next \$1000, or **\$250,000**, as the calculation for the fee schedule is based on an incremental charge added for each additional \$1,000, or fraction thereof.)

**Conventional Permit Amount:**     **\$250,000 (Value) - 100,000 = 150,000 X .007 = 1,050 + 1,027 =**     **\$2,077.00**  
**Conventional Plan Review:**     **\$2,077 X .65 =**     **\$1,350.05**  
**Estimate (does not include plumbing, mechanical, etc.)**     **\$3,427.05**

**Owner / Builder Fees:** After you've made the Permit Fee calculation for the conventional permit, multiply this by .575 to arrive at the O/B Permit Fee amount. Likewise, after you've made the Plan Review calculation for the conventional permit, take this amount and multiply it by .75; as shown below.

**Owner / Builder Permit Amount:**     **\$2,077.00 X .575 =**     **\$1,194.28**  
**Owner / Builder Plan Review:**     **\$1,350.05 X .75 =**     **\$1,012.54**  
**Estimate (does not include plumbing, mechanical, etc.)**     **\$2,206.82**

There is also a fee calculator available at <http://www.sanjuanco.com/504/Building-Permit-Fee-Calculator>

Please also note that Ordinance 46-2009 also requires that any Public Works development review fees be collected when your permit is issued. This could include a \$150 new address assignment fee, an access fee of \$100, and/or a \$90 review fee for drainage systems, among others.
